

PINS PROJECT

Parents Networking Day

Save the Date - 27th January 2026

Our Voice who are working on the PINS project would like to invite all the parent carers to our Parent Networking Day. This is an opportunity to meet other parents in the borough, and to hear about the amazing inclusion work that goes on within schools and hear from our Enfield services about what support is available to support your child.

We will have workshops from:

- Child and Adolescent Mental Health Service (CAMHS) all about diagnosis and waiting times
- SWERRL who will talk about their work within school around behaviour
- North Central London Waiting Room which have put together a number of resources for parents.

We will also have exhibitions from ENAS, EASA and other local support groups, who all provide parent carers support in the local area.

It is an opportunity to share your views and experience and hear from other parents and carers in the borough.

Refreshments will be provided.

When

27th January 2026
9.30 am - 1.00pm

Where

Suffolks Primary School,
Brick Lane, Enfield, Middlesex,
EN1 3PU
