Here is our new spelling rule for the week, using 'el' at the end of words. Try these spellings using 'look, say, cover, write and check'. Look at the spelling on your document, say it aloud, cover it up with your hand, write/type it into the 1st attempt box and then check it. Keep going through it!

You may be asked by you teacher (or you just might want to) post a photo, especially if it is a practical task. You can do this on the assignment. At the hand in page click on [Add work](#).

To find your photo, you click on **upload from this device** and then attach it for your teacher to see.

Once you have handed in your work, it will appear in the **completed** section. If you click on an assignment in here, you will be able to see the comment from your teacher.
