

What I should already know:

- 1 Which part of the body is associated with each sense
- 2 That things in the world around me are made from different materials

What I will learn:

- 1 To identify and name a range of materials
- 2 To describe the properties of everyday materials

Working Scientifically Skills:

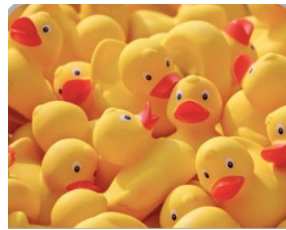

- 1 Perform simple tests
- 2 Identify and classify

Scientists/Inventors:

Becky Schroeder
Inventor of Glo Sheets

Materials

plastic

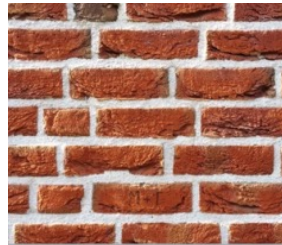

wood

metal

glass

brick

fabric

paper

Key Vocabulary:

1	materials	what things are made of
2	properties	what these materials are like
3	transparent	see-through
