

### Attendance winners

**Week ending: 12th May: 6W with 100%!**

Runners Up: 3W and 1W with 99.1%

**Week ending 19th May: 1W with 100%!**

Runner Up: 3B with 99.6%

Overall this half term, Year 1 and Year 6 have had the best attendance. Parents in all year groups can help by ensuring their children attend school regularly.

### Sporting achievements

We are thrilled to announce that our cricket team won the Enfield Schools Cricket Tournament yesterday. The final match was a tough one, but we beat Salcombe School to retain the shield for another year. Congratulations to all of the boys and a huge thank you to Mr Cook and Mrs Garnsworthy for training and organising the event.

Last week, some of our Year 5 children took part in the Borough Quadkids Competition at Lee Valley Athletics Stadium. They competed against mainly Y6 pupils in 4 events - vortex throw, standing long jump, 75m sprint and 600m run. There were 14 schools competing and St Andrew's came 5th overall. Congratulations to all of the children and a thank you to Mrs Dilieto and Coach Romaine for helping with the training.

### Local areas visits for Year 1 and Year 3

Last week, **Year 1** and **Year 3** children visited local areas, as part of their learning in Science and History.

The Y1 children had a lovely time finding different minibeasts in the sky, under logs, in bogs and on trees! There was also time to play near the river and have fun in the playground in the woods.

Our Year 3 children visited the Lancaster Road area, looking at the blue plaques, which identify important local people in history.

### Elmer Day in Reception

This week, our Reception children celebrated Elmer day, by wearing their coloured clothes, to show how unique we all are! They took part in lots of Elmer activities, reading Elmer stories and writing about 'how we are special'.

### Milk Bottle Tops for the PTA

The PTA are collecting green, white and red plastic milk bottles tops, over the next few weeks. Please save them and hand them in to the class teacher or school office. Thank you.

In the next newsletter, we look forward to reporting on our varied wildlife in the school. We have butterflies hatching in Reception and Y1, stag beetles emerging in the grounds and hundreds of tadpoles, ready to change into frogs in our pond. Exciting times!

### Dates for the diary

<b>Fri 26th May</b>	4W Partnership Sports morning with St. Paul's School
<b>Mon 29th - Fri 2nd June</b>	May half term
<b>Mon 5th June</b>	INSET Day SCHOOL CLOSED
