

### Cakes sell out at the Coronation Cake Sale

A huge thank you to our PTA team, who braved the rather windy and wet weather to run two coronation-themed cake stalls on the playground. Beautifully presented, the cakes sold out in 20 minutes and raised **£570**. Thanks to everyone who bought seeds for the raffle and a cake - every donation is gratefully received.

### Year 6

Last week, our Year 6 children sat the national tests (SATs) in Grammar, Spelling, Reading and Maths. All of the children have worked incredibly hard to do their very best in the tests and we are very proud of all of them. Due to the extra public holiday, the tests finished on the Friday this year. Soon after, the two classes walked to Town Park to relax and have fun outside, even in the rain! Thanks to the PTA for making a donation towards some much needed chocolates and biscuits!

This week, Year 6 also took the train to the *Imperial War Museum in South London*. In their history lessons, they have been learning about the impact of the Blitz, as well as the role of propaganda posters and the war effort. They were able to see these posters and other historical artefacts first hand, as well as watch short film clips about evacuees, women and the war and the home front. A truly memorable experience for our eldest children. Many thanks to Mrs Dempsey for organising the trip.

### A message to parents, grandparents and older siblings

The school has received a few complaints recently about the behaviour of a very small number of parents and grandparents, who are approaching other parents directly, regarding issues which may or may not have happened in school. Please remember that we expect all visitors who enter our school site (this includes parents, carers, grandparents and older siblings) to behave responsibly and respectfully towards each other.

Class teachers are the first point of contact for any parent, if there is a problem or concern. Senior leaders are also on duty every morning and afternoon in the playgrounds. Therefore, **there is no need for anyone to speak to another parent or child in a confrontational way.** Please be kind and polite to each other, at the gates, along the walkways and in the playgrounds. Thank you for your support.

**Parents with secondary school children** - if your older child arrives to collect a younger sibling, please remind them that their friends will have to wait outside the gates. There are too many unknown teenagers from local schools, who do not need to be on our premises at 3:30 p.m. It is a busy time of day and we need to keep our children and staff safe and ensure that everyone on the premises is known to our staff.

### What's been happening?

This week, **Year 2** classes visited Father Steve at the church. He talked to the children about baptism and about the promises that Christians make to God.

The children also made delicious pizzas, as part of their science learning about a balanced diet and food hygiene.

Last week, **RW** went all the way to Finsbury Park on the train (RB's trip will be after half term). This was a very exciting trip for our younger children, who walked to Enfield Chase station and then took the train to Finsbury Park. The children had great fun in the playground and had lunch together in the park, before heading back on the train.

As a school, we want all our children to take part in experiences outside of the classroom and these trips really do support their understanding of the world around them. A big thank you to the RW team and to the parent volunteers.
