

## I should already know:

That the stories of Jesus are found in the Gospels, part of the Bible's Big Story

God's Rules for Living, the ten commandments

The stories of people from the Old Testament and their faith in God linking to their actions

About the miracles of Jesus and their influence on a believer's life

## By the end of this unit I will:

Know what wisdom is and why it is important

Know what wisdom offers to me and where wisdom can be found

Make links with other learning in religion and how their teaching is connected to a believer's life

Ask important questions about life and compare my thoughts and answers with others

## Key Vocabulary

**Wisdom**

Having knowledge and good judgement, being wise

**Proverb**

A short saying in general use, stating a general truth or piece of advice

**Faith**

Belief in the unseen, strong belief in God and doctrines of a religion

**Source**

A book from which information is gathered

## Book of Proverbs

Solomon is attributed with writing most of the book.

It is an Old Testament book.

It is believed to have been written in 10BC

It contains similarities to the Egyptian 'Wisdom of Amenemope', a contemporary instructional piece.

They express truths about human behaviour and are instructional.
