# — Our Curriculum

In Years 1 to 6, children are taught the National Curriculum, this includes;

- English
- Maths
- Science
- History & Geography
- Art & Design Technology
- Computing
- Music
- French KS2 onwards
- Personal, Social and Health Education (PSHE)
- Physical Education (PE)
- Religious Education (RE)

As a Church of England School,  
we follow the RE syllabus created by the London Diocesan Board.

# — Mental Health and Well-being

Pupils' emotional well-being forms a central part of our ethos school in and out of the classroom. We know that children learn best when they feel safe, calm and secure and have a trusted adult to go to, if needed.

Some of the ways in which the school is championing well-being:

- We have a Senior Mental Health Lead to oversee our plan for supporting good mental health and well-being
- We have a school governor who takes the lead on mental health and well-being
- Our PSHE curriculum has been developed over the past two years and is overseen by our PSHE Leader
- PSHE Themes include *Family and Relationships* and *Health and Well-being*
- PSHE lessons are taught weekly
- Circle time sessions also happen regularly in all classes
- Mindfulness techniques are taught and used to help to restore focus and calm
- 1:1 or small group targeted interventions offer support to key children

# — Reading

## **Reading at school**

Children are expected to read and talk about their reading to an adult daily at school.

We have whole class guided reading using our English text, The First Drawing.

We also read a class book for pleasure, our first class book is Little Nose.

## **Reading at home**

At St. Andrew's School, we know how important it is for children to read and share stories at home.

We expect parents to support their child with reading every day.

## **Reading records**

There is a reading record book, for children and parents to complete.

This will come to school and go home everyday.

Children should be writing in this at least 3 times a week and parents once a week. If your child struggles with writing you may scribe for them. This will be checked once a week, to ensure regular reading is taking place.

# — Homework

In addition to daily reading, homework will be set once a week on Microsoft Teams. Your child will have their own log in for this. Please see the class teacher if your child is unable to log on.

Maths, English or another area of the curriculum, to support work already undertaken in class.

The task may involve the use the Purple Mash or MyMaths platforms but will always be detailed on Teams.

**Homework is set on Friday**

**It should be completed by the following Wednesday.**

Please speak to the class teacher if you have queries about homework.

# — Enrichment Activities

- Local visits linked to curriculum areas
- Use of the school grounds for fieldwork in science and geography

**Curriculum letters** These are emailed and uploaded onto the website.

# — Helping with Fundraising

## **Annual maintenance contribution**

All parents who join St. Andrew's School understand that the Governing Board requests **an annual contribution of £35** per child, to help maintain our buildings, boilers, roofs and other costly refurbishments and repairs. We really do need every parent to pay this contribution, so that we can maintain our buildings. Payment is made via ParentPay and can be paid in instalments or in full.

## **Join our amazing PTA**

The PTA is always looking for volunteers to help raise much needed funds for the school. Their hard work has enabled the school to purchase much needed equipment.

Our on-going playground project is in evidence!

## **Sign up to easyfundraising**

If you shop online by registering with [www.easyfundraising.org.uk](http://www.easyfundraising.org.uk) you automatically raise money for the school, every time you spend. It doesn't cost you a penny either!
