- Music
- French (KS2 onwards)
- Personal, Social and Health Education (PSHE)

- Religious Education (RE)

As a Church of England School,
we follow the RE syllabus created by the London Diocesan Board.

— Mental Health and Well-being

Pupils' emotional well-being forms a central part of our ethos school in and out of the classroom. We know that children learn best when they feel safe, calm and secure and have a trusted adult to go to, if needed.

Some of the ways in which the school is championing well-being:

- We have a Senior Mental Health Lead to oversee our plan for supporting good mental health and well-being
- We have a school governor who takes the lead on mental health and well-being
- Our PSHE curriculum has been developed over the past two years and is overseen by our PSHE Leader
- PSHE Themes include *Family and Relationships* and *Health and Well-being*
- PSHE lessons are taught weekly
- Circle time sessions also happen regularly in all classes
- Mindfulness techniques are taught and used to help to restore focus and calm
- 1:1 or small group targeted interventions offer support to key children

— Reading

Reading at home

At St. Andrew's School, we know how important it is for children to read and share stories at home. Therefore, we expect parents to support their child with reading every day.

Reading in Year 5 Guided Reading, 'Reading For Pleasure' and Class Read Aloud books.

Reading records

There is a reading record book, for children and parents to complete.

Older children can write in this.

This will be checked once a week, to ensure regular reading is taking place.

— Homework

In addition to daily reading, homework will be set once a week on Microsoft Teams. Your child will have their own log in for this. Please see the class teacher if your child is unable to log on.

Maths, English or another area of the curriculum, to support work already undertaken in class.

The task may involve the use the Purple Mash or MyMaths platforms but will always be detailed on Teams.

Homework is set on Friday and should be completed by the following Wednesday.

Please speak to the class teacher if you have queries about homework.

— Helping with Fundraising

Annual maintenance contribution

All parents who join St. Andrew's School understand that the Governing Board requests **an annual contribution of £35** per child, to help maintain our buildings, boilers, roofs and other costly refurbishments and repairs. We really do need every parent to pay this contribution, so that we can maintain our buildings. Payment is made via ParentPay and can be paid in instalments or in full.

Join our amazing PTA

The PTA is always looking for volunteers to help raise much needed funds for the school. Their hard work has enabled the school to purchase much needed equipment.

Our on-going playground project is in evidence!
