

## Attendance winners

**Week ending 10th November**  
**Classes with 100% attendance:**  
**2B, 4B, 5B, 6B and 6W**

## Parliament Week

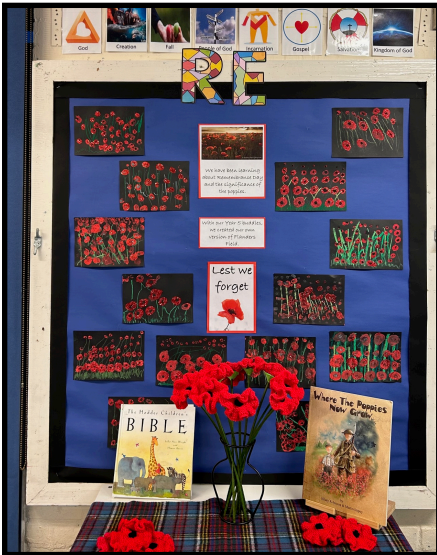

This week, our Y5 and Y6 pupils took in Parliament Week. They learned about how Parliament is set up, the Government and how young people can make a difference. The focus for debate and discussion this week has been the ULEZ charge, re-cycling in Enfield and waste reduction.

Councillor Andrew Thorp, who is also a parent, held a special 'surgery' in the hall, where he spoke about his role as a Councillor. He also answered quite a few questions about issues affecting Enfield.

Throughout the week, we have been listening to our children and members of staff speak about issues which they feel strongly about, on our very own Speaker's Corner! All pupils voted today on the referendum, which is **'St. Andrew's children will follow a paper waste reduction policy.'** The results and outcome will be presented in the next newsletter.

## Remembrance Day

This week, we have been paying our respects to people who have been affected by conflict, past and present.

Our Collective Worship times this week have focused on the meaning of Armistice Day, Remembrance and the significance of the 11th November, 1918.

The KS2 children also learned a song called *Remember*, which they sang beautifully this week. Our Year 5 children spent some time with their Year 1 buddies, creating some beautiful poppy pictures, while our Year 3 children paid their respects at the Enfield Chase Memorial. Many thanks to the House Captains, who arrived early at school every morning for the past two weeks, to sell poppies.

### Excellent fund-raising by Sophia in Y6

Congratulations to Sophia in 6W, who raised a staggering **£2085** for the Little Princess Trust, by donating her hair. This wonderful charity makes wigs for children, who have been affected by cancer and other debilitating diseases. A great effort, Sophia. Well done!

### Coffee Mornings

This week, we held our last parent coffee morning for the year, with parents from Y5 and Y6 and would like to thank any parents or grandparents, who managed to attend any of our coffee mornings. We know that some parents are unable to attend due to work commitments, childcare or other reasons, however, it has been really lovely for the Senior Leadership Team, teachers and parents to have an informal chat and get to know our school community, this term.

## Curriculum Letters and Knowledge Organisers

Our Curriculum letters for all year groups have now been emailed to parents. We hope you find them useful. The curriculum letters are also on the website under NEWS.

For parents with children in Years 1 to 6, please also look on your child's Teams page for Knowledge Organisers in science, history or geography. These are used in the lessons, to support prior learning and knowledge retrieval. The Knowledge Organiser for Reception has been uploaded to Tapestry.

## Parent Meetings

We will be holding face to face parent meetings next week on Tuesday 14th and Thursday 16th November. These will need to be booked online, so please do make sure you have made an appointment.

In order for the teacher to keep to time, please arrive a few minutes early, to look through your child's books. A polite knock on the door when it is your time, is helpful for the teacher and the parent in the room to be aware that the 10 minutes is up. We strongly encourage Y5 and Y6 pupils to be part of the meeting. For the rest of the school, children are not required to attend.

Please note - due to teacher workload, the two evenings next week have been specifically allocated for every parent to attend a meeting. Therefore, there will be no other formal meetings arranged this term after these two dates.

## Thank you

Thank you to all the parents, who continue to supply the school with boxes of tissues. We are grateful, as always.
