

## Some Year 6 pupils volunteer at Tesco

This week, some of our Year 6 pupils helped to pack bags for busy Enfield shoppers. They were rather nervous to begin with, but were encouraged by the friendly staff and kind members of the public. They also offered chocolates to people in the store, as they did their shopping.

The staff at Tesco kindly laid on some treats for the children and presented a gift card to the school. Thank you to Mrs Statham for organising the event.
