

I should already be able to:

- 1 Know some colours in French
- 2 Tell what an adjective is in English
- 3 Know how to join statements together with 'et' (and).
- 4 Remember basic adjectival agreement rules in French from Intermediate units like 'Je Me Présente'.

By the end of this unit I will be able to:

- 1 Name and spell accurately some/all the planets in French on a solar map
- 2 Say and write extended sentences for at least one planet.
- 3 Understand better the rules of adjectival agreement in French and apply these rules to my work improving grammatical accuracy.
