

Phonics and Pronunciation

1	CH	Champignon
2	OU	Vous
3	ON	Oignon, champignon
4	OI	Pois
5	H aspiré	The letter 'h' in haricots is called an h aspiré. It is still a silent 'h' and not pronounced but it acts like a consonant. The final 's' in les remains SILENT when used with haricots verts
7	Liaison	The reason why the final letter 's' in les is sometimes pronounced and sometimes left silent in the unit is due to liaison in French. If the article/determiner is followed by a noun that starts with a vowel – a normally silent 's' is pronounced by as a 'z' sound. As with les oignons, les épinards and les aubergines.

By the end of this unit I will:

- 1 Name, recognise and recall from memory up to 10 vegetables in French.
- 2 Say I like or do not like at least one vegetable in French.
- 3 Attempt to spell some names of vegetables with their plural article/determiner.
- 4 Learn and use the high frequency verb je voudrais from the verb vouloir, to want in French.

I should already be able to:

- 1 find France on a world map.
- 2 know where other French speaking countries are, on a world map.
- 3 greet other people in French.
- 4 ask and answer the question: What is your name?
- 5 say the names of ten colours.
- 6 count to 10.
7. Say at least 5 fruits in French and whether they like or do not like at least one fruit.
8. Ask somebody what they like in French using the question, 'Est-ce que tu aimes...?'
