

I should already know:

History is in the past and things change over time.

That we use different sources to find out about the past

Common words and phrases relating to the passing of time

Sir Nicholas Rainton- Facts

- Built Forty Hall
- Became Lord Mayor of London and was Knighted
- Sent to prison by King Charles I
- Helped young people get better jobs
- Gave money to support poor children in an apprentice trade
- Buried in a tomb in St Andrew's Church

By the end of this unit I will :

Study a significant historical person within our own locality

Know where the people I study fit on a chronological framework

Understand that we use different sources to find out about the past

Key Vocabulary

Local	Belonging to the area where we live
Hero	Having personal qualities that people admire, e.g. courage, generosity, honesty
Significant	Great or important
Source	Something that gives information about the past.
Evidence	Facts or information proving whether something is true or not
Artefact	A historical object made by a human being
Chronology	Events in order of occurrence

Historical sources of evidence we will use:

Painting - to understand more about a person, including, clothing, expression, colour

Documents – including newspaper reports and online search

Visit/ artefacts – a trip to Forty Hall to explore artefacts and understand about how our hero lived.

Painting

The ex-Lord Mayor who went to prison for defying the King

Documents

Local visit (Forty Hall)

Artefacts

Chronological Framework – Sir Nicholas Rainton
