

Attendance winners

Last week, we had 100% attendance in three classes.

Well done to **1B**, **4W** and **5W** closely followed by 1W with 99%.

Reception Classes visit Crews Hill on the bus

This week, our youngest children took the bus to Crews Hill to visit Woldens Garden Centre. This was organised to support their learning about plants and flowers. A bus journey with friends is always a highlight of any trip and the children were really well-behaved. A very muddy path awaited them after two days of rain. However, both classes enjoyed seeing the wide range of plants and flowers for sale. The staff bought packets of seeds to take back to school, to plant soon. Many thanks to the parents and staff for supporting the children on this trip.

PTA Spare Change Challenge and Wonder Bar Sale

What an achievement from the whole school community, to raise **£1155** from the Spare Change Challenge and **£543.31** from the Wonder Bar Sale. A huge thank you to the PTA for setting these up and for parents, staff and children for every penny donated in these events. The PTA will be meeting with senior leaders to discuss next projects and plans for how best to use the funds to support the school.

Thank you to our Y6 Worship Committee

Mrs Kirby, our RE Lead, would like to thank the Year 6 members of the Worship Committee, for their commitment and dedication over the two years. The Worship Committee play an important leadership role in our school; choosing music and themes for Collective Worship, leading Collective Worship assemblies and helping to bring a sense of togetherness to the school as a whole. Eliana, Maria, Ann-Katherine, Luke and Amelie received a small cross, in recognition of their commitment.

Year 4 Cross Country Competition

Last week, some of our Year 4 children took part in the Enfield Cross Country competition, held at Lea Valley. They all enjoyed being part of the event and Ethan came third in the boys' event. Our team also came third overall.

What else has been happening?

Congratulations to the girls in **5W** for their efforts with running a book sale. The sale raised over £170 for the Noah's Ark Children's Hospice. Thanks to everyone who supported this event.

Our **Year 3** children visited Enfield Town Library this week. The teachers were thrilled to be given a class card, which gave every child the opportunity to take a book back to school. As they are now 'members', the class can visit at any time to change their books. The children are really excited to be going again.

There was a lot of excitement in science lessons this week, as the **Year 6** children experimented with making electrical circuits. They managed to add 17 wires to a circuit, to see if it would make any difference to the brightness of a bulb. And it didn't!

Parent Meetings

Please ensure you have booked your online appointment with your child's class teacher on <https://standrewsenfield.schoolcloud.co.uk>

IMPORTANT DATES

Tues 19th March	Parent Meetings ONLINE
