

Phonics and Pronunciation		
1	E	sound in appartement

3	Elision	J'habite. Dropping of the last letter of a word (in this case the 'e' in je) and replacing it with an apostrophe. Attaching it to the word that follows which begins with a vowel or mute 'h'. This is in order to facilitate pronunciation. It is not optional in French.
4	Silent letters	The 's' is not pronounced in many words like dans , habites , mais and bains the 't' is not pronounced in et . These two consonants are often silent when they are at the end of words.
