

Welcome to the New School Year!

Dear Parents and Carers,

On behalf of the PTA, we are delighted to welcome you all—both returning families and those joining us for the first time—to the start of an exciting new school year!

Whether your child is just beginning their journey at St. Andrew's School or returning for another year, we want you to know that the PTA is here to support you. Our aim is to help build a strong, engaged school community where every child can thrive, and every parent/carer feels involved and valued.

This year, we will be continuing to focus on raising much-needed funds to support both the school and our children's education. These funds are vital for providing additional resources, improving school facilities, and ensuring that our pupils have access to enriching opportunities. From new equipment to extra-curricular activities, every penny raised will go directly toward enhancing the learning environment.

Your children will now be able to enjoy the new table tennis equipment outside and the amazing interactive art wall installations indoors. This is an example of what we can provide with your help.

We understand that everyone has busy schedules, but if you're interested in getting more involved—whether through volunteering, joining the PTA, or simply sharing your ideas—we would love to hear from you. Every bit of support, big or small, makes a huge difference.

We're also excited to share that we're working on creating a PTA website, which will make it easier for you to stay informed and get involved. More information about upcoming events and ways to participate will be shared soon, so keep an eye out!

Thank you for being part of our school community. We look forward to working together and making this a fantastic year for everyone!

Please email us if you have any queries pta@standrewspta.co.uk

Best wishes,

Parent Teacher Association
