

Dear Parents, Staff, and Governors,

We are delighted to inform you that St. Andrew's CE Primary School has received a very positive Ofsted report from our latest inspection in December. This achievement is a testament to the hard work and dedication of our entire school community and we are incredibly proud to be a part of it.

Highlights from the Report:

- **Outstanding Areas:** We have been recognised for outstanding performance in three key areas: Behaviour and Attitudes, Early Years Provision and Personal Development
- **Good Areas:** Additionally, two areas were rated as strongly good; the Quality of Education and Leadership and Management

We would like to extend our thanks to all staff members, who were amazing during the inspection, particularly as this was the last week of a very long term!

A huge thank you too, to all our families who spoke to inspectors or completed the survey.

Finally, we would like to thank your children. Their confidence when speaking to inspectors on a wide range of subjects and topics, their positivity and their enthusiasm for St. Andrew's really shone through.

Please be assured that we will continue to work hard to improve the area highlighted and to strive to provide the best possible education for your children.

The full report is attached to this email. Thank you once again for all the support you continue to give to St. Andrew's CE Primary School. If you have any questions, please do not hesitate to contact the office.

Yours sincerely,

C. L. Mann

Cathryn Mann
Executive Headteacher
