We hope you find it useful.

— Uniform Reminders

General

We are a uniform-wearing school and all children are expected to wear the correct uniform every day.

Jewellery

Apart from small gold or silver, round stud earrings in pierced ears, no jewellery should be worn in school. It is advisable to remove earrings on PE days. Nail varnish, make up and temporary tattoos should not be worn.

Hairstyles

Long hair must be tied back. No patterns, lines or logos should be shaved into the hair. Please see the Uniform Policy for more details.

- The assessment is completed on an iPad.
- We will have access to official practice tests closer to the time
- We have already started to use a designated time to practice applying their times tables knowledge

— Mental Health and Well-being

Pupils' emotional well-being forms a central part of our ethos school in and out of the classroom. We know that children learn best when they feel safe, calm and secure and have a trusted adult to go to, if needed. Some of the ways in which the school is championing well-being:

- We have a Senior Mental Health Lead to oversee our plan for supporting good mental health and well-being
- Our PSHE curriculum has been developed over the past two years and is overseen by our PSHE Leader. Themes include *Family and Relationships* and *Health and Well-being*
- PSHE lessons are taught weekly
- Circle time sessions also happen regularly in all classes
- Mindfulness techniques are taught and used to help to restore focus and calm
- 1:1 or small group targeted interventions offer support to key children
- We work closely with organisations such as MYME (My Young Minds Enfield)

Attendance

We all know that good attendance is essential for all children to have the best chance of success now and later in life.

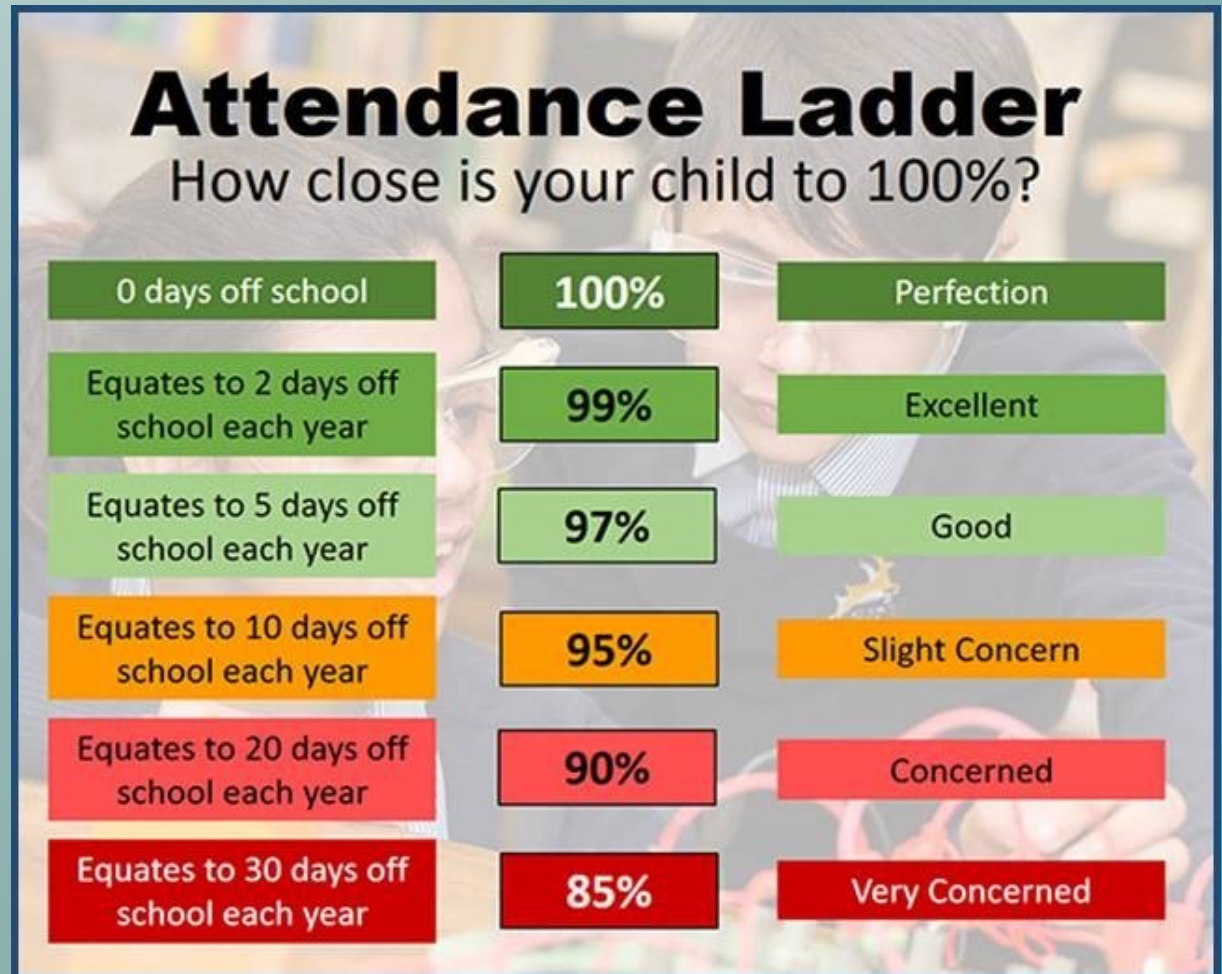

Attendance at school is compulsory and is monitored very closely.

If your child is absent even for one day a week, they miss:

1 opportunity to gather with the whole school in Collective Worship.

3 opportunities to play with friends in the playground.

4 to 5 lessons of learning.

— Reading

Reading at home

At St. Andrew's School, we know how important it is for children to read and share stories and books at home. Therefore, we expect parents to support their child with reading every day.

Reading in Year 4

Children will have the offer to read for pleasure at least once a week in class. Most children will be expected to be reading books of a Year 4 level and to be able to discuss what they have been reading with an adult.

Reading records

There is a reading record book, for children and parents to complete.

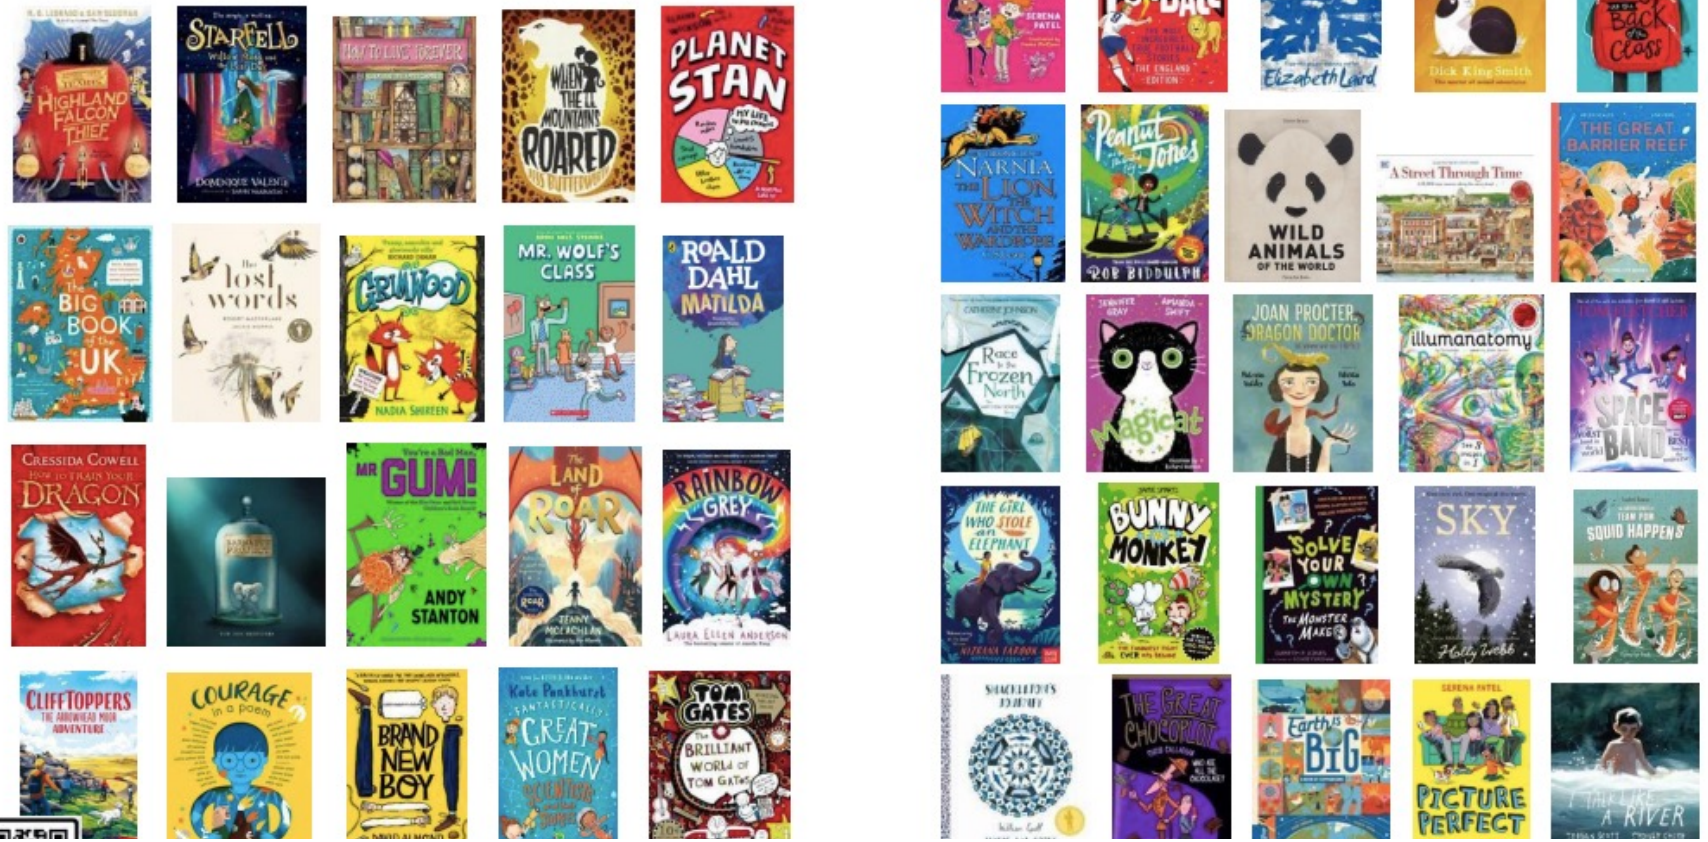

Older children can write in this.

This will be checked once a week, to ensure regular reading is taking place.

50 Recommended Reads for... **Year 4** (ages 8-9)

— Homework

In addition to daily reading, homework will be set once a week on Microsoft Teams. Your child will have their own log in for this. Please see the class teacher if your child is unable to log on.

Maths, English or another area of the curriculum, to support work already undertaken in class.

The task may involve the use the Purple Mash, MyMaths and TT RockStars platforms but will always be detailed on Teams. If your child has a question about the homework, he/she can see the teacher on the Monday. Please do not message on Teams, as this facility is not always checked.

Homework is set on Friday and should be completed by the following Wednesday.

Please speak to the class teacher if you have queries about homework.

— Helping with Fundraising

Annual maintenance contribution

All parents who join St. Andrew's School understand that the Governing Board requests **an annual contribution of £35** per child, to help maintain our buildings, boilers, roofs and other costly refurbishments and repairs. We really do need every parent to pay this contribution, so that we can maintain our buildings. Payment is made via ParentPay and can be paid in instalments or in full.

Join our amazing PTA – The PTA is always looking for volunteers to help raise much needed funds for the school. Their hard work has enabled the school to purchase much needed equipment, as well as the stunning wall art installations and new playground items.

Sign up to easyfundraising -If you shop online by registering with www.easyfundraising.org.uk you automatically raise money for the school, every time you spend.

It doesn't cost you a penny either!
