

Tuesday 3rd March 2026

Dear parents,

Parent Portal in-App Messages

We have been now using the new school system, Arbor for some time now and most parents have successfully set up Parent Portal.

Please note that we will shortly be sending all non-urgent messages via the parent portal to reduce costs of sending messages via text.

Please ensure that this parent portal app is installed and your notifications are on to see messages sent.

All urgent messages will continue to be sent by text.

On Thursday 5th March all parents will receive a test in-app message. This allows time for parents to ensure they have installed this app and turned on their notifications.

Please let us know by Tuesday 10th March if you did not receive this test message.

We will then start sending messages via this method from Monday 16th March.

Thank you for your support in advance in ensuring you are ready to receive messages via our in-app school messaging service.

Yours sincerely,

Jude Statham

Mrs J. Statham
Head of School
