

ST. ANDREW'S SCHOOL NEWSLETTER

With God's love, we live, learn and grow together

Notices

Community Day

9th October

A reminder to parents, who may be able to spare a couple of hours to help us demolish our old maze and paint the pergola near Reception classes. We currently have 9 volunteers but would gladly accept more. Please bring tools and brushes! Please email reply@st-andrews-enfield.enfield.sch.uk if you would like to join us.

Baker Street service road

As a result of yet another complaint from a resident regarding one of our parents, we have contacted the Transport Department, who said: **"I can advise that this service road provides access and parking to residents of the flats from 99-121 Baker Street only. It is not a general access road."**

So parents - please DO NOT use this road to park, drop off or collect your children. Park further away and walk. Thank you.

Our buddies meet for the first time

One of the things we really missed over the past 18 months was not being able to spend time with our class buddies. At St. Andrew's, each year group works with another year group to share projects, reading, have discussions and to watch performances.

Here are the buddy groups:

Year 6 and 2, Year 5 and 1, Year 4 and R, Year 3 and N

Year 5 and 1 buddies worked together last week on making posters to help our environment. Lots of ideas, writing and drawing. Fantastic team work from all 4 classes! We look forward to seeing other buddy events across the school.

House and Vice Captains help our younger children at lunchtimes

We are so proud of our Year 6 House and Vice Captains, who have been out every lunchtime, supporting Reception, Year 1 children with games such as What's the Time Mr Wolf, catching and throwing games and lots of running! Such great role models to our younger children.

Dates

Mon 4th Oct - Pilates sessions for Y3 and 4

Tues 5th Oct - Boys' Football match at Enfield Grammar

Thur 7th Oct - 4B leading the Harvest Festival at the Church 10am

Mon 1st Nov -SCHOOL CLOSED. INSET Day.

Tues 2nd Nov - Children

RB listen to poetry

Last week, children in RB took their learning onto the field, in response the poem *The Lonely Garden* by Nadim Shamma-Sourgen. They explored their senses, just like the character in the poem.

Year 6 with their Air Pollution project.

Continuing the Air Pollution project from last year, some Year 6 children put up air quality diffusion tubes in a variety of locations in and around the school. In 3 weeks' time, these will be analysed and results given to the school. A huge thank you to Barry Snelgrove for his support with this project to help our local environment.

Year 6 residential visit.

Next Monday, our Year 6 children will be off to Chippenham in Wiltshire for their week's residential visit. This was due to happen in Year 4, then in Year 5! Finally, they will be going.

We wish them all the very best and look forward to seeing lots of photos on our twitter feed and on the website.

Extra-curricular Clubs

Some clubs, led by teachers and teaching assistants, will re-start after half term. Please check your emails for more information.
