

### Year 5 boys complete reading sessions at Enfield Grammar School

Over the past few months, some of our Y5 boys have been taking part in reading sessions with Year 10 students at the Grammar School. They were given a set text to share, with lots of fun activities designed to engage and challenge their skills in communication and reading. The boys had lots of fun with their Y10 buddies and it was lovely to see them building positive relationships with older pupils. Well done to all of them; we hope to continue this next year.

### A visit from the Enfield Caribbean Association

As part of their learning about The Windrush Generation in history, the children in Year 5 received a visit from Roy and Margaret, members of the Enfield Caribbean Association. They talked to the children about the publication of the book 'Windrush Voices' and the children listened to Margaret's story, which originated in Nigeria. It truly was a fascinating insight into the life of someone local, who came to this country in the 1950s, to start a new life.

### Trampolining success for Gregory

It is always good to hear about successes outside of school and this week, we would like to congratulate Gregory in Y5 on his fantastic trampolining achievement at the London Youth Games. Gregory came 5th in the team competition out of 28 other teams, as well as winning an individual GOLD medal for the level 3 competition. We are so proud of you, Gregory. Well done!

### School Maintenance Fund

In recent weeks, we have been reminding all families to contribute to our School Maintenance Fund. This fund ensures that our high cost repairs and maintenance, such as boilers and roofs, are repaired. We have now collected **70%** of the total, with 4 weeks left of term. Thank you to all the families who have made this donation.

### Nursery Story Café

The Nursery parents enjoyed a Story Café this week, focused on the story of The Gingerbread Man. Parents and children listened to the story, then took part in counting and decorating activities

### District Sports

Last week, 37 children from Years 3,4,5 and 6 took part in the District Sports Athletics competition at Lee Valley Athletics Stadium. All the children competed at a very high level, with a number of them winning their races and receiving a first

place medal. There were 14 schools at the event and we finished 5 overall.

A huge well done to all the children who took part, and thank you to Coach Romaine, Mrs Dilieto and Mrs Garnsworthy for accompanying the children.

### Congratulations to Miss Edwards in Y1

Last weekend, Miss Kristina Edwards, one of our Learning Support Assistants, got married and returned to work this week as Mrs Storey!

Needless to say it is taking the children in Y1 a little bit of time to get used to her new name! We are so thrilled for Mr and Mrs Storey and wish them lots of love and happiness together.

### Dates

**Wed 29th June** - KS1 Sports Day at 9.15am

KS2 Sports Day at 1.30pm
