

St Andrew's
Church of England Primary School

A wonderfully busy two weeks!

There have been so many visitors and events over the past two weeks, many involving parents and friends in the community.

Reception children visited Forty Hall Farm and had a fabulous time. It was a long walk there and back, but the children had so much fun seeing the animals, enjoying a picnic lunch and playing with their friends.

Year 1 children visited the library, before heading to Town Park for a picnic. They finished their day with a super water game in the Nursery garden. They had so much fun!

Year 2 children had a visit from Zoolab, as part of their learning about animals. The children learned about animals from different habitats and were able to touch some very interesting creatures!

Year 2 children have also been learning a range of folk dances and some of the children performed at the Enfield Folk Festival. They even had time to learn a Ukrainian dance, which they performed twice! Many thanks to Miss Chrysostomou for making such fantastic waistcoats. The whole of Year 2 then performed to the parents on a hot afternoon, with some parents even joining in the dance!

Year 4 invited Sergeant Flodin, a parent and Police Officer, to talk to them about her job in the Police Force, as part of their history unit on 'Crime and Punishment.' She spoke about the modern day Police Force and gave the children a really good insight into life in the force.

We have also seen lots of parents take part in our Story cafes, class visits to St. Andrew's Church and the library, too. This week, the Year 6 children will take part in two performances of their production, for parents.

With God's Love, we live, learn and grow together

Edie in **Year 5** delighted the children with her wonderful violin performance, as the Worship Committee led the service to the whole school.

Sports Days

Our **Year 6** children demonstrated their sportsmanship, maturity and kindness, when they supported the younger children in 3 sports days last week. Many parents, who had not been to a sports event until last week, were so impressed with the way our eldest pupils encouraged the children, led them confidently to the right station and cheered them on throughout the event. We are so proud of our Year 6 children; they were and are a credit to the school.

After two years away, we finally welcomed friends and family members to our four sports days. The PTA members provided coffee and pastries at every event, which was a wonderful idea.

We began with the KS1 sports day in the morning. Lots of excitable children having fun in each activity. In the afternoon, we saw the older children compete in their classes, again having lots of fun with some of the new events. Flat races and relays followed, with some very fast runners.

In the end, points were collated and **Hawking House** won the overall event. Congratulations to Hawking House and well done to each and every child who took part. The following day, we enjoyed a fabulous Reception sports day, followed by our youngest children in the Nursery event. One of the highlights was the flat races at the end. Some children were so keen to keep going, they ran back up the track! We welcomed many parents and grandparents who had never been to one of our sports days before, so it was really lovely to see them here.

More photos will be available to see later this week.

Dates

11th - 15th July - Jubilee Week

Wed 13th July - Nursery trip to Enfield Town Library and Town Park

Wed 13th July - Girls football match against Chase Side

Wed 13th and Thurs 14th July - Y6 production to parents at 6.30pm

Thurs 14th July - Year 2 trip to Palmers Green Mosque and Broomfield Park

Thurs 14th July - Some Year 5 children at the STEM workshop at Chace Community School
