

St Andrew's
Church of England Primary School

Happy Holidays!
School returns on
Monday 5th September.

Two nights to remember!

Last week, our Year 6 children delighted parents with two fabulous performances of '*Jill and Fred's most Hysterical Historical Adventure!*' The singing and acting were superb, even in the hot temperatures! A huge thanks to the Year 6 staff, Mrs Dempsey, Miss Corbett, Miss Chick and Miss Hutchings, for the work involved in putting this together. The Year 6 children also led the Leavers' Service at the Church this week; they spoke about their memories of school and what they are looking forward to next year. We have had some fantastic memories of this year group over the seven years and on behalf of all the staff, wish each and every one of them happiness and success in the future.

Jubilee Week

Last week, the whole school took part in celebrating the Queen's Platinum Jubilee. Each year group listened to songs from all 7 decades, as well as researched the Queen's family tree, found out about Commonwealth Countries and produced art work in the style of artists from all the decades. There were Queen's biscuits and jam

sandwiches made, too. The week ended with two wonderful Jubilee Community picnics; one in the Nursery garden and one on the field. The Nursery children danced with their Year 3 buddies and enjoyed ice pops in the sun. For the rest of the school,

With God's Love, we live, learn and grow together

parents and friends gathered to watch the country dancing and whole school singing. A big thank you to our staff and also to parents, for such positive comments and emails.

What else has been happening?

Our **Year 5** children were extremely busy, taking part in STEM (Science, Technology, Engineering and Maths) workshops, hosted by Chace Community School, as well as a group attending a French Breakfast at Enfield Grammar School for Bastille Day.

Meanwhile, in **Year 1**, the children were busy baking and decorating Queen's hat biscuits.

Congratulations to Max in Year 5, who won the Enfield Piano Competition last week, for entrants at Grade 2 or 3. He performed beautifully in very hot surroundings and also won £100 for the school. Well done, Max!

The PTA needs you!

Following on from a very successful few years, several of our PTA members will be stepping down. These mums and dads, who have children in Years 5 and 6, have worked tirelessly before and after lockdown, to raise much-needed funds for the school. They have rallied round to sell ice pops every Friday, organised discos, Father's and Mother's Day gifts, as well as promoting easyfundraising on their facebook page.

They now need some new recruits from lower down in the school, to continue with the great work. Without parents coming through, our PTA will not exist. If you would like to be part of this wonderful group and help your child, too, please contact Emma or Suzy on pta@standrewspta.co.uk Thank you.
